

BE A PHILANTHROPIST

Your gift, no matter how big
or small, can make a difference
in the LIFE OF A CHILD who
cannot walk, cannot talk
or laugh, or even smile.

LOOK INTO YOUR HEART
and find a way to help a child.

RESOURCES

As in the past, the Foundation shall continue to raise funds by hosting fund-raising events, direct solicitation from individuals, businesses and grants from corporations, foundations and government agencies.

The Child HELP Foundation has established an Endowment Fund at the Delaware Community Foundation. This fund will be carefully invested to provide a permanent and growing source of funding. All gifts to the Fund will be preserved forever, so only the income generated by the Fund will be used to make grants. Child HELP will determine and advise the Delaware Community Foundation periodically to make grants to specific nonprofit organizations serving children in Kent County with disabilities.

Contributions can be in the form of cash, real estate, charitable bequests, appreciated stocks, life insurance, and other assets.
